This week: "Did you know?"

On March 8, "Dr. Music" will open a new, second location called Dr. Music Audio at the former Radio Shack, aka. 19551 US-98 / Greeno Road!

Wade Wellborne opened Dr. Music Records on Highway 98 in 1996. After moving to N. Church St. in 2005, and then to its current location on Fairhope Ave. in 2017, many people refer to Wade as "Dr. Music" for his expertise in vinyl records, turntables, and Sonic Suitcase. The name, however, has a much deeper meaning:

After college, while contemplating law school, Wade had a conversation that would change his life. Meeting by chance at a garage sale, a vinyl-collecting physician encouraged Wade to follow his vision for records and vintage equipment despite his fears of the unknown.

Wade later contacted the doctor to thank him for his advice, and learned the physician had brain cancer, with only months to live. "Dr. Music Records" was named in his honor. Miraculously, as of 2022, the doctor is alive and well!

Open 10 am - 5 pm, Tuesday through Saturday, Dr. Music Audio will specialize in sound equipment including repairs, accessories, and a sound room.
